

## Question 2

We were told that the following factors should be considered regarding the style, type and density of homes on any new development. We now need to find out which you think are the most important.

Please give each of the following factors a score from 1 to 7, where 1 is very important and 7 is not at all important. Please tick one box on each line.

Factor	Importance							
	High	1	2	3	4	5	6	Low
Public open space must be provided	<input type="checkbox"/>							
Shared ownership homes must be provided	<input type="checkbox"/>							
Social rented homes must be provided	<input type="checkbox"/>							
Bungalows must be provided	<input type="checkbox"/>							
Low cost starter homes must be provided	<input type="checkbox"/>							
Gardens must be provided	<input type="checkbox"/>							
Low rise apartments must be provided	<input type="checkbox"/>							
Off street resident parking must be provided	<input type="checkbox"/>							
The style of construction should be in keeping with the character of the town	<input type="checkbox"/>							
Homes suitable for the less mobile must be provided	<input type="checkbox"/>							
Development must be low density even though it will require more land than a high density development	<input type="checkbox"/>							
Development must be eco friendly	<input type="checkbox"/>							
Development must not be higher than neighbouring properties	<input type="checkbox"/>							
Local traditional materials must be used	<input type="checkbox"/>							
Developments must contain a mixture of dwelling types	<input type="checkbox"/>							

## Question 3

a) Are there any housing developments in Cricklade that you like and which could be used as a guideline for future development?

b) Please explain why (optional)

Please complete online or return to the Town Council, Ockwells, 113 High Street, Cricklade, Wiltshire SN6 6AE by Friday 19th December

Thank you for your contribution!

# Cricklade Neighbourhood Plan

## Housing Consultation Questionnaire

Autumn 2014

Cricklade Town Council

## Reasons for the questionnaire

Last year we held a preliminary public consultation on the issues which might be covered in the Cricklade Neighbourhood Plan. From the answers we received we would now like to ask some further questions that relate specifically to new housing development.

### How to complete the questionnaire

This questionnaire may be completed online at [www.surveymonkey.com/s/cnp14](http://www.surveymonkey.com/s/cnp14) or by completing the tear off form opposite and returning it to the Town Council office at Ockwells, 113 High Street, Cricklade, Wiltshire SN6 6AE. **Please respond by Friday 19th December.**

### Who should complete the questionnaire

We are keen to receive the views of all residents, particularly the younger members of the community, and not just one response per household. Please feel free to photocopy the form or collect further copies from the Town Council office. Using Survey Monkey will make it much easier for you though.

### If you have any questions

If you would like more information about how to complete the questionnaire, or about neighbourhood planning in general, then we will be holding a series of 'drop-in' sessions when members of the Working Party will be available to chat to. They will be held at the Town Council office as follows:

**5pm to 8pm on the Thursdays 4th December and 11th December**  
**10am to 1pm on the Saturdays 29th November, 6th December and 13th December**

Please feel free to call in, we look forward to seeing you.

Alternatively you can phone us via the Town Council on 01793 751394.

[Questionnaire issued by Cricklade Neighbourhood Plan Working Party.](#)

#### Please read on for more information...

The report on the 2013 public consultation is available to read on [crickladenp.org.uk](http://crickladenp.org.uk) and on the Town Council website [www.cricklade-tc.gov.uk](http://www.cricklade-tc.gov.uk). Paper copies are available to read in the Town Council office. The document also contains a lot of useful information about the neighbourhood planning process and is well worth a look.

We cannot yet be certain on the minimum new housing numbers that Wiltshire Council will require to be built in Cricklade between now and 2026 as the 'Core Strategy' has still not yet been approved by the Planning Inspector. However we believe it is likely to result in a requirement for Cricklade in the range of 60 to 80.

## About you

This information will be used to demonstrate that we have gained the views of a cross section of the population but will not be used as part of any decision making process for the Neighbourhood Plan.

Your Postcode

Your age group (please tick one)

0-18	19-30	31-40	41-50	51-60	61-70	over 70

## Question 1

We were told that the following factors should be considered when assessing the suitability of sites for development. We now need to find out which you think are the most important.

**Please give all of the following factors a score from 1 to 7, where 1 is very important and 7 is not at all important. Please tick one box on each line.**

Factor	Importance						
	High 1	2	3	4	5	6	Low 7
The development should have a positive visual impact on Cricklade	<input type="checkbox"/>						
The development should not impact town centre parking	<input type="checkbox"/>						
A number of smaller sites are preferable to a single large one	<input type="checkbox"/>						
The development should maintain the historic character of the town	<input type="checkbox"/>						
The development should not impact on existing open spaces in the town	<input type="checkbox"/>						
The sewers for the development should have adequate capacity	<input type="checkbox"/>						
The development site and the nearby surrounding area should not be subject to flooding	<input type="checkbox"/>						
The development should protect the natural environment and habitats	<input type="checkbox"/>						
The development should be within easy walking distance of the town centre	<input type="checkbox"/>						
The development should give priority to local families when the homes are first sold	<input type="checkbox"/>						
The development should not add to Cricklade's traffic issues	<input type="checkbox"/>						
The development should not result in Cricklade and Swindon joining up	<input type="checkbox"/>						
The development should be close to public transport access	<input type="checkbox"/>						
The majority of new housing should be contained within the existing built up area	<input type="checkbox"/>						

**Please Turn Over for Questions 2 & 3**
